

# Clean Energy, Climate, and Health

Tuesday, November 13, 7:00PM  
Winona State University  
Stark Hall, Room 103  
Science Laboratory Center  
400 Winona Street  
Winona, Minnesota 55987

A public forum with polar explorer Will Steger and  
Fresh Energy's J. Drake Hamilton.

**Minnesota is on a clean energy path that is bringing benefits to human health and our air, water, and natural resources.** Hear Will Steger, Minnesota's own eyewitness to climate change, present his vivid, firsthand account with stunning photographs from his expeditions. J. Drake Hamilton, science policy director at Fresh Energy, will describe effective clean energy and clean air solutions that benefit our economy.

**FREE AND OPEN TO THE PUBLIC**
