

Clean Energy, Climate, and Health

Monday, December 3, 7:00PM
Bethlehem Lutheran Church
St. Cloud, Minnesota 56301
(www.bethlehemplutheran.org/directions)

A public forum with polar explorer Will Steger and
Fresh Energy's J. Drake Hamilton.

Minnesota is on a clean energy path that is bringing benefits to human health and our air, water, and natural resources. Hear Will Steger, Minnesota's own eyewitness to climate change, present his vivid, firsthand account with stunning photographs from his expeditions. J. Drake Hamilton, science policy director at Fresh Energy, will describe effective clean energy and clean air solutions that benefit our economy. Reflections on our faith and creation care will be offered by Bishop Jon V. Anderson, Southwestern Minnesota Synod, ELCA via Skype.

FREE AND OPEN TO THE PUBLIC
