Global action on a local scale
skype-to cop17 2011

Join Youth Environmental Activists of Minnesota (YEA MN)
for live correspondence with Minnesotans Paul Thompson and
John Howard on the ground at the **COP17/CMP7 United Nations
Climate Change Conference in Durban, South Africa.**

Learn about COP17 and the urgency of international climate policy

Share ideas and best practices with student environmental initiatives
from across the Twin Cities

Take part in letter writing action encouraging our senators
to protect the Clean Air Act

Saturday, December 3rd 2011 • 2:00-4:00 PM
Edina Library • 5280 Grandview Square, Edina

For those interested, the Citizens Climate Lobby Conference Call will precede this event.

YEA MN • Cool Planet • MN350 • Will Steger Foundation • Alliance for Sustainability

*YEA! MN connects Twin Cities metro youth to share skills, strategies, and take coordinated
action towards environmental sustainability.*
